Student Section (Completed by Student)

GENERAL SERVICE INFORMATION

Student Name: _____ Grade: _____

Date(s) of Service: _____ Project/Organization Name: _____

Description of Service: _____

REFLECTION ON SERVICE

Who were you able to help and why? How did your service benefit the community? _____

What did you learn from your service? _____

What was rewarding about this project? What was challenging about this project? _____

Supervisor Section (Completed by Supervisor)

Name: _____ Organization: _____

Contact Number or E-mail: _____ Total Hours of Student Service: _____

Signature: _____ Date: _____

Comments: _____

The Community Service record sheet is designed to assist students in recording the hours they spend assisting their fellow man WITHOUT compensation. Community service hours should reflect the completion of a project or be done in conjunction with an organization (tasks completed for family members do not reflect community service project hours). A record of community service hours is logged on the student's official transcript. Completed forms should be submitted to the guidance counselor. Please allow at least a week for transfer of information onto official transcripts.
